

2015-2016 School Annual Education Report (AER) Cover Letter

April 4, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Watervliet High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Brad Coon for assistance.

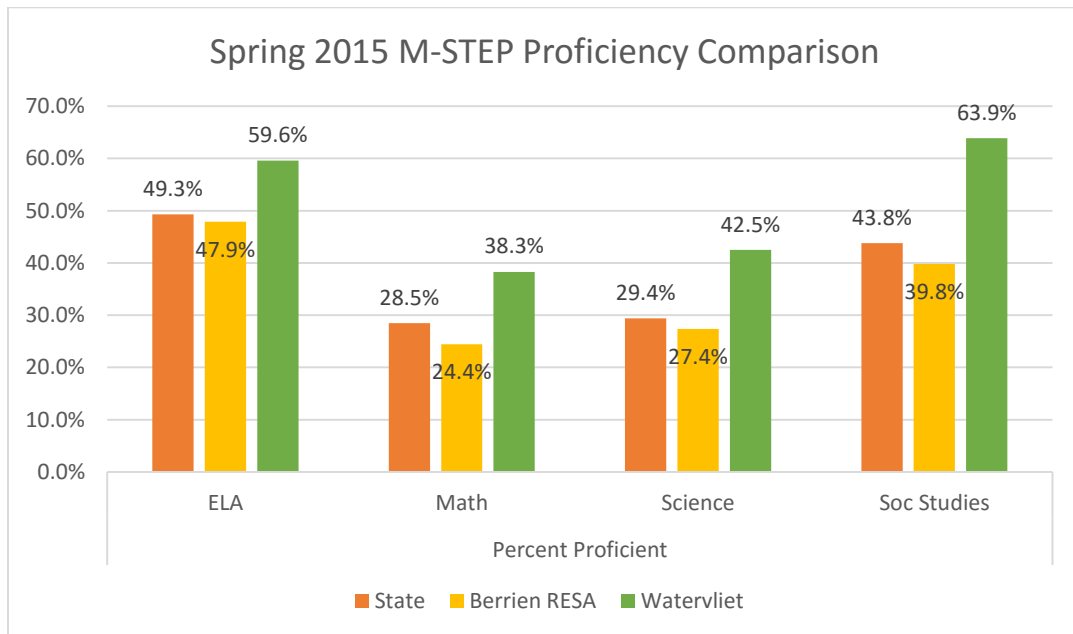

The AER is available for you to review electronically by visiting the following web site www.watervlietps.org or you may review a copy in the main office at your child's school.

While we are pleased with our recent achievements scoring above the state and county proficiency in ELA, Mathematics, Science and Social Studies; we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort and we will continue working diligently moving forward. We have implemented multiple intervention based initiatives in order to take our student achievement to the next level and we are excited about where we are going.

State law requires that we also report additional information:

1. **ASSIGNING PUPILS TO THE SCHOOL:** Students are assigned to Watervliet High School by grade level and credits earned. Based on the number of credits earned, determines what grade level the student will be placed in, as well as courses assigned.
2. **SCHOOL IMPROVEMENT PLAN:** Watervliet High School has a 3-5 year school improvement plan implementing, adjusting and working on the new school improvement plan. We will continue to let our SIP guide our professional development for the upcoming school year. Our goals are:
 - a. **Goal #1:** All students will meet the College/Career Readiness standards in Mathematics by SAT achievement by August 31, 2016.

- b. **Goal #2:** All students will meet the College/Career Readiness standards in Literacy by SAT achievement by August 31, 2016.
 - c. **Goal #3:** Watervliet High School will be part of a district-wide system of data-based decision making by August 31, 2016.
 - d. **Goal #4:** All students at Watervliet High School will become technology literate.
3. **SPECIALIZED SCHOOL OPPORTUNITIES:** Along with our traditional education services provided through our high school, we are pleased to be able to provide additional services to our community:
- Berrien RESA provides services to special needs students through Blossomland Learning Center, Lighthouse Education Center, and the Berrien County Hearing Impaired Program.
 - Furthermore, Berrien RESA works in conjunction with the Berrien County Juvenile Detention Center to provide services to students being housed at the center.
 - During this past school year we had sixty-two (62) students attend the Van Buren Intermediate School District for vocational education classes.
4. **CORE CURRICULUM:** Watervliet does not vary from the state’s model of the Michigan Core State Standards. A copy of the current Michigan Core State Standards for all core areas is available from the Michigan Department of Education website at: www.mich.gov/mde. Furthermore, a copy can be viewed in Mr. Coon’s office at Watervliet High School.
5. **MME RESULTS:** Watervliet High School eligible juniors take the Michigan Merit Exam in the spring as scheduled by MDE each school year. This data can be viewed in the Annual Education Report, which is available online at <http://watervlietps.org>. If you are unable to access the information via the internet, copies may be viewed in Mr. Coon’s office.

6. **PARENT/TEACHER CONFERENCES:** Watervliet High School offers parent-teacher conferences in November and February of each school year. Between the two conference offerings our students were represented by over 20% of their parents. We also provide a parent internet viewer, which allows parents to view their child's progress in each of their classes. We also mail report cards four times, with four intermittent mailings of progress reports during the school year.
7. **POSTSECONDARY ENROLLMENTS:** In the 2014/15 school year, Watervliet High School had seventy-three (73) students enrolled in postsecondary classes for a total of 18.7% representation of the student body. Eleven (11) students in dual enrollment and sixty-two (62) students in direct credit enrollment.
8. **COLLEGE EQUIVALENT COURSES OFFERED:** In the 2014/15 school year, Watervliet High School offered AP Calculus, AP Biology, College English, AP European History, and this year we offered AP Chemistry. We also offer a plethora of college equivalent courses through Michigan Virtual High School.
9. **STUDENTS ENROLLED IN COLLEGE EQUIVALENT COURSES:** In the 2014/15 school year, Watervliet High School had seventy-three (73) students enrolled in college equivalent courses for a total of 18.7% representation of the student body.
10. **STUDENTS RECEIVING A SCORE LEADING TO COLLEGE CREDIT:** In the 2014/15 school year, Watervliet High School had seventy-three (73) students receive college credit for a total of 18.7% of eligible students.

I am overjoyed with the success of our students during the 2014-2015 school year. This would not have been possible without the combined effort put forth between the students, staff and parents.

Sincerely,

Brad Coon

Brad Coon, EdS
