Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Watervliet High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Watervliet High School Principal – Nate Ledlow for assistance.

The AER is available for you to review electronically by visiting the following web site - <http://www.watervliet.k12.mi.us/hs/> - or you may review a copy from the high school office.

For 2010-2011, Watervliet High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

ASSIGNING PUPILS TO THE SCHOOL

Students are assigned to Watervliet High School by grade level and credits earned. Based on how many credits a student has earned, determines what grade level they will participate in.

SCHOOL IMPROVEMENT PLAN

Watervliet High School has just completed a new and updated school improvement plan. We will be letting our SIP guide our professional development for the upcoming school year.

SPECIALIZED SCHOOL OPPORTUNITIES

Along with our regular education services provided through our high school, we are pleased to be able to provide additional services:

- Berrien RESA provides services to special needs students through Blossomland Learning Center, Lighthouse Education Center, and the Berrien County Hearing Impaired Program.
- Furthermore, Berrien RESA works in conjunction with the Berrien County Juvenile Detention Center to provide services to students being housed at the center.
- During this past school year we had over fifty (50) students attend the Van Buriem Intermediate School District for vocational education classes .

CORE CURRICULUM

Watervliet High School does not vary from the state's model. A copy of the current Michigan High School Content Expectations for all core areas is available from the Michigan Department of Education website at: www.mich.gov/mde. Furthermore, a copy can be viewed in Mr. Ledlow's office at Watervliet High School

MME RESULTS

Watervliet High School eligible juniors take the Michigan Merit Exam in early March each school year. This data can be viewed in the Annual Education Report, which is available online at <http://www.watervliet.k12.mi.us/hs/> . If you are unable to access the information via the internet, copies can be viewed in Mr. Ledlow's office.

PARENT/TEACHER CONFERENCES

Watervliet High School offers parent-teacher conferences in the November and February of each school year. Between the two conference times of our students were represented by their 66% of our parents. We also provide a parent internet viewer, which allows parents to view their child's progress in each of their classes. In addition to report cards four times a year, progress reports are also mailed out every three weeks.

Postsecondary enrollments

Last year Watervliet High School recorded 14 dual enrollments at 4%

College Equivalent courses offered

Last year Watervliet High School offered one AP Biology class. For the 2011-2012 school year we will be offering AP Calculus as well.

Students enrolled in college equivalent courses

Last year Watervliet High School had 12 students enrolled in college equivalent courses at 3.4%

Students receiving a score leading to college credit

Last year Watervliet High School had 37 students receive a credit leading to college credit/

I am overjoyed with the successes of our students during the 2010-2011 school year. This would not have been possible without the combined effort put forth between the staff and parents.

Sincerely,

Nathan A. Ledlow
Principal
Watervliet High School
