Principal: Nathan Ledlow

Guidance Counselor: Ana Maack

Athletic Director: Ken Dietz

8/10/12

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for Watervliet High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Watervliet High School Principal – Nate Ledlow for assistance.

The AER is available for you to review electronically by visiting the following web site - <http://www.watervliet.k12.mi.us/hs/> - or you may review a copy from the high school office.

For 2011-2012, Watervliet High School made Adequate Yearly Progress (AYP) in the tested subjects (mathematics, reading, science). While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

## **ASSIGNING PUPILS TO THE SCHOOL**

Students are assigned to Watervliet High School by grade level and credits earned. Based on how many credits a student has earned, determines what grade level they will participate in.

## **SCHOOL IMPROVEMENT PLAN**

Watervliet High School spent this past school year implementing, adjusting and working on a new school improvement plan. We will continue to let our SIP guide our professional development for the upcoming school year.

## **SPECIALIZED SCHOOL OPPORTUNITIES**

Along with our regular education services provided through our high school, we are pleased to be able to provide additional services:

- Berrien RESA provides services to special needs students through Blossomland Learning Center, Lighthouse Education Center, and the Berrien County Hearing Impaired Program.
- Furthermore, Berrien RESA works in conjunction with the Berrien County Juvenile Detention Center to provide services to students being housed at the center.
- During this past school year we had over fifty (50) students attend the Van Burien Intermediate School District for vocational education classes.

## **CORE CURRICULUM**

Watervliet High School does not vary from the state's model. A copy of the current Michigan High School Content Expectations for all core areas is available from the Michigan Department of Education website at: [www.mich.gov/mde](http://www.mich.gov/mde). Furthermore, a copy can be viewed in Mr. Ledlow's office at Watervliet High School.

**Watervliet High School AER Cover Letter**  
**Page Two**

**MME RESULTS**

Watervliet High School eligible juniors take the Michigan Merit Exam in early March each school year. This data can be viewed in the Annual Education Report, which is available online at <http://www.watervliet.k12.mi.us/hs/>. If you are unable to access the information via the internet, copies can be viewed in Mr. Ledlow's office.

**PARENT/TEACHER CONFERENCES**

Watervliet High School offers parent-teacher conferences in the November and February of each school year. Between the two conference times our students were represented by 20% their parents. We also provide a parent internet viewer, which allows parents to view their child's progress in each of their classes. In addition to report cards four times a year, progress reports are also mailed out every three weeks.

**Postsecondary enrollments**

Last school year, Watervliet High School had forty-one (41) students enrolled in postsecondary classes for a total of 10.85% of the student body.

**College Equivalent courses offered**

Last school year Watervliet High School offered AP Calculus, AP Biology, College English, and a plethora of college equivalent courses through Michigan Virtual High School.

**Students enrolled in college equivalent courses**

Last school year Watervliet High School had forty-eight (54) students enrolled in college equivalent courses for a total of 14.2%

**Students receiving a score leading to college credit**

Last year Watervliet High School had forty-eight (48) students receive college credit for a total of 12.6%.

I am overjoyed with the successes of our students during the 2011-2012 school year. This would not have been possible without the combined effort put forth between the staff and parents.

Sincerely,

Nathan A. Ledlow  
Principal  
Watervliet High School
