Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Watervliet Middle School. The AER addresses the complex reporting information required by federal and state laws. Migrant and Bilingual

WMS had 4 students in grades 6-8 who were eligible for support services during the school year.

Academic Instruction Program

Watervliet Middle School's program of academic instruction incorporates the Michigan Grade Level Content Expectations. Information on our core curriculum can be obtained by contacting the school office. The materials we use are Glencoe Literature for Language Arts instruction, Prentice Hall course 1-3 for Math instruction, *Battle Creek Science Kits* for science instruction in 6th and 7th, Pearson Interactive Science in 8th and Prentice Hall's World Explorer in social studies instruction. More detailed information is available on the Watervliet Middle School tab on the district website.

Parent / Teacher Conferences

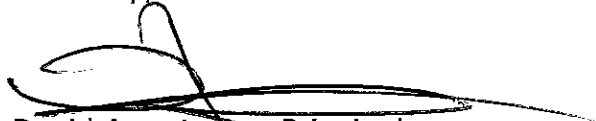

Parents are provided with opportunities to hold conferences with teachers to discuss individual students' progress, academic strengths and any areas of concern. Occasionally, phone calls take the place of face-to-face conferences. We have fall and spring conferences scheduled each school year. Parents were informed of conferences through school handbooks and newsletters. WMS parents were also scheduled for specific times through phone calls, letters or email. The percentage of parents who attend conferences with teachers was:

73% in 2009-2010 / 75% in 2010-2011 was 75%

WMS also offers the Parent Internet Viewer so parents can view grades and homework assignments daily. Teacher and parents can post questions or comments concerning each individual student.

WMS will continue to focus on our students and their various learning styles. Our continuing goal is to be proactive, using proven and tested teacher methods to meet and exceed AYP and MEAP targets. Congratulations and thanks to our devoted teachers, support staff, parents, students and our Board of Education for working consistently and tirelessly throughout the year. I look forward to continued growth and achievement for the upcoming school year.

Sincerely,

David Armstrong, Principal
